INDEPENDENT AUDITORS' REPORT

To the Officers and Board of Directors
Audio Scripture Ministries
Holland, Michigan

Report on the Financial Statements

We have audited the accompanying financial statements of Audio Scripture Ministries, which are comprised of the statement of financial position as of September 30, 2017 and 2016, and the related statements of activities (with comparative totals for 2016), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Audio Scripture Ministries as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited Audio Scripture Ministries' 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 22, 2016. In our opinion, the summarized comparative information presented herein as of and for the period ended September 30, 2016, is consistent in all material respects, with the audited financial statements from which it has been derived.

Respectfully submitted,

DOLINKA, VANNOORD & COMPANY, P.L.L.P.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017 AND 2016**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Audio Scripture Ministries (ASM) is organized under Section 501(c)(3) of the Internal Revenue Code and is also exempt from state taxation. The Organization's headquarters is located in Holland, Michigan.

ASM is committed to providing the Bible in audio that all might have the opportunity to hear God's Word in their own language. ASM's commitment to the Great Commission directs them to serve others as they:

- partner with churches, ministries and individuals toward creating and distributing audio Scripture media to communicate the good news of Jesus
- facilitate production of audio recordings of the Bible in each language needed by people groups around the world
- distribute either directly or through other ministries, suitably formatted Scripture recordings among both non-Christians and Christians, whether living in their homelands or elsewhere
- encourage and assist the development of projects for audio Scripture recording and/or distribution by indigenous and other ministries

Basis of Accounting and Presentation

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting utilizing three classes of net assets for reporting and presentation as follows:

Unrestricted net assets represent the Organization's resources that are available for operations.

Temporarily restricted net assets represent contributions received by the Organization which have been restricted for a special purpose by the donor, namely for missionary support and special projects. Once the restrictions have been met, the contributions will be released from their restrictions.

Permanently restricted net assets represent contributions that are subject to restrictions of gift instruments requiring that the principal be maintained in perpetuity and invested; the income may be used to support operations. The Organization has no permanently restricted assets.

The accompanying notes are an integral part of these financial statements.
See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017 AND 2016**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

The Organization places its cash, cash equivalents, and certificates of deposit with several financial institutions. Although such cash balances exceed the federally insured limits at certain times during the year and at year end, they are, in the opinion of management, subject to minimal risk.

Certificates of Deposit

The certificates of deposit purchased for investment have an initial maturity of greater than three months after the year end and are recorded at their contract price plus accrued interest.

Inventory

Purchased inventories are stated at the lower of cost (first-in, first-out method) or market, including provisions for obsolescence commensurate with known or estimated exposures and consist of recording equipment and materials held for future ministry distribution. Donated inventories are stated at fair market value at the date of the gift. Inventories are shown net of an obsolescence valuation reserve of \$0 and \$6,700 for the years ended September 30, 2017 and 2016, respectively.

Fixed Assets and Depreciation

Major property and equipment items are capitalized at cost, or if donated, at fair market value on the date of the gift. The Organization capitalizes assets acquired with a cost over \$3,000. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. Repairs and maintenance and minor furnishings and equipment purchases are charged to expense as incurred.

Depreciation expense was \$10,139 and \$9,133 for the years ended September 30, 2017 and 2016, respectively.

Public Support and Revenue

Contributions are recognized as revenue when donations are received. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, based on expressed donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction has been satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Various individuals have named ASM as a beneficiary in their wills. ASM will recognize the donation upon receipt of funds.

The accompanying notes are an integral part of these financial statements.
See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017 AND 2016**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Donated Services

No amounts have been reflected in the financial statements for donated services. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments. The Organization received approximately 3,200 volunteer hours for the year end September 30, 2017.

Allocation of Expenses

Personnel costs are allocated between program and supporting services based on the estimated time devoted by the individuals involved. Various other expenses are also allocated by other appropriate methods.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Income Taxes

The Organization is exempt from federal income taxes under Internal Revenue Service Code Section 501(c)(3).

With few exceptions, periods ending September 30, 2014 and thereafter are subject to U.S. income tax examinations.

NOTE 2 - ANNUITY OBLIGATIONS

ASM has established a gift annuity plan whereby donors may contribute assets to the Organization in exchange for the right to receive a fixed dollar annual return during their lifetimes. Upon the death of the donor, the funds become the property of ASM. Gift annuities are reflected on the balance sheet at the present value of the annuity payments based on life expectancy tables issued by the Internal Revenue Service.

NOTE 3 - OPERATING LEASES

The Organization leases office space at its Holland location under month to month leases. Total rent received under these operating leases amounted to \$4,243 and \$4,240 for the years ended September 30, 2017 and 2016, respectively.

The Organization has a 60 month operating lease with Pitney Bowes for a postage machine requiring monthly payments of \$115. The lease expires December, 2021. Total lease expense for the years ended September 30, 2017 and 2016 was \$1,132 and \$1,524, respectively.

The accompanying notes are an integral part of these financial statements.
See independent auditors' report.

NOTE 3 - OPERATING LEASES - Continued

The Organization has a 60 month operating lease for a copier requiring monthly payments of \$240. The lease expires March, 2020, at which time the copier can be purchased at fair market value. Total lease expense was \$2,599 and \$3,021 for the year ended September 30, 2017 and 2016, respectively.

A schedule of minimum lease payments under the above non-cancelable operating leases are as follows:

<u>Year Ended</u>	<u>Amount</u>
September 30, 2018	\$ 4,260
September 30, 2019	4,260
September 30, 2020	2,820
September 30, 2021	1,380
September 30, 2022	<u>345</u>
TOTAL	<u><u>\$ 13,065</u></u>

NOTE 4 - SUBSEQUENT EVENTS

Management has evaluated subsequent transactions and events occurring after the statement of financial position date and through December 11, 2017, the date these financial statements were available to be issued, and has determined that no items require additional disclosure.

NOTE 5 - RECLASSIFICATIONS

Certain items in the financial statements for 2016 have been reclassified to conform to the classifications used in 2017.

The accompanying notes are an integral part of these financial statements.
