

A GREAT WAY

to share God's Word

Listen to Don
share more of
his story.

“My financial advisor just told me about how I can use my IRA RMD (Required Minimum Distribution) to make a QCD (Qualified Charitable Distribution) to ASM.

It's a great way to help share God's Word, while reducing taxable income, so giving can go even farther.”

– Don L.
(ASM Partner and Representative)

INVESTING SO ALL WILL HEAR

THE GIFT OF GOD'S WORD

EXPAND YOUR INVESTMENT

You believe in the importance of God's Word and your investment in ASM shows it.

You can bring God's Word to more people through:

MARKETABLE SECURITIES

Donate appreciated assets like stocks, bonds, and mutual funds, receiving a fair market value charitable deduction.

BENEFICIARY DESIGNATIONS

Name Audio Scripture Ministries as a beneficiary to receive a percentage of your estate, leaving a legacy of God's Word.

RETIREMENT ACCOUNTS

Use your "Required Minimum Distributions" (RMDs) for a Qualified Charitable Contribution (QCD), maximizing your impact and reducing taxable income.

MEMORIAL OR THOUGHTFUL GIFT

Designate ASM as the recipient of memorial gifts in lieu of flowers, honoring your commitment to reach those yet unreached.

I see the need for my people to hear and learn more about God, *but they can't read.*

— Pastor Ociel
(ASM National Partner in Mexico)

Your investment will record and deliver God's Word to those eager to hear it, for generations of impact.

Stewardship isn't just for those who are still working; it can **continue through retirement!**

You probably came to know Christ because **someone told you about Him**. Think of **all the joy** that will come to others from **hearing God's Word** in the language of their hearts!"

— Dave H.
(ASM Supporter and former Board Member)

I assure you: Anyone who **hears My word** and **believes Him** who sent Me has **eternal life** and will not come under judgment but has passed from death to life."

— Jesus (John 5:24, HCSB)
