

# 30 DAYS OF PRAYER

## KENYA MINISTRY

*“Pray also for us, that God may open to us a door for the Word, to declare the mystery of Christ...” (Colossians 4:3a, ESV)*

### 1) Sunday

#### WEEKLY PRAYER POINTS

Pray for incarcerated men and women who are hearing God’s Word in their own heart language; that God will transform their lives by His power.

### 2) Monday

Travel to the prisons is on difficult roads. Ask for God’s help amidst vehicle break-downs and safety issues faced while traveling in rural areas.

### 3) Tuesday

Pray for prison chaplains, many of whom face vast needs with prisoners and their own congregations. Pray for God to give them a love for His Word, strength, encouragement, spiritual insight, renewed vision, and open doors to share the Gospel.

### 4) Wednesday

Permission to access prisons takes time. Pray for open doors, especially for ongoing prisoner follow-up and relationship building with prison leadership and chaplains.

### 5) Thursday

Pray for new outreach efforts in Northern Kenya, in desert communities where they’ve never seen audio Bibles. As ASM Partners establish listening groups, pray for the Gospel seeds to take root, and multiply.

### 6) Friday

Pray for the Kenyan prison wardens and correctional officers. Many are spiritually hungry and seeking truth. Ask God to open hearts as the truth and hope of the Gospel is shared with them.

### 7) Saturday

God is opening doors for discipleship through Integral Mission efforts such as Christian education for children, veterinary services, solar-powered charging stations, feminine-hygiene training, meeting needs of prisoners, and others. Pray for each effort to glorify Jesus and remove barriers to His Gospel!
